Thank you for giving me the opportunity to testify IN SUPPORT of Senate Bill 22, An Act Temporarily Reducing the Rates of the Sales and Use Taxes and the Meals Tax.

With inflation taking off, taxes should be reduced for Connecticut's residents. Inflation is the number one economic worry right now and anything to alleviate it and the burden on individuals and families should be done. Temporarily reducing the sales and meal tax rates would be one more step towards putting more money in the pockets of CT's residents.

Thank you,
